Hey Al,

Hope all is well. We have had similar stickers put on signs in our area. We have not located the subjects. Overall, we have seen an increase in White Nationalist / Hate Group activity and have communicated with the Fusion Center on it. If you develop suspects, [REDACTED]. I also attached some propaganda from the groups.

Here is a compiling of emails that were sent within our department with some photos that are good to know and keep your eyes open for:

"[REDACTED] is an associate of [REDACTED] the founder of NJP. [REDACTED] runs an extremist website (The Right Stuff) and is either a former or active soldier. The individuals/associates involved in NJP also helped to organize the "Unite the Right" rally in Charlottesville, Virginia, in 2017. They have connections to "The Daily Stormer" and the Neo Nazi group, the Traditionalist Worker Party.

Prior NJP rallies have drawn up to 100 people, however, it is believed that the group could mobilize local extremist groups – Patriot Front/The Base/New World Order (Milwaukee).

The Anti-Defamation League classifies the group as Neo-Nazi with established chapters in 11 states. Of note, there are chapters in Minnesota and Michigan per the ADL. The general tactics and propaganda are similar to other white nationalist groups with sticker campaigns, pamphlets, and banner drops. We have reviewed several articles which detail the same banner style drops, but the entrance into City Hall and taking photos was not reported previously that we were able to find. There is a public telegram channel for the group that details their propaganda and recruiting campaigns. The Waukesha suspicious activity has not been shared yet. The group appears to have done a rebrand in 2021 from Folks Resistance.

The recent activity in Waukesha by the National Justice Party and Patriot Front lead us to believe the false narrative of the Waukesha Parade incident being racially motivated is drawing the attention of groups in an attempt to recruit and promote their agenda in Waukesha. The Canadian Centre for Identity-Based Conflict has a Group Bio on Folkish Resistance Movement (See below link) with additional information.

In the ADL document, they reference calls by American Guard to come here. They have connections to Indiana and IL and are affiliated with other extremist groups in our area. More Info: <https://www.adl.org/blog/behind-the-american-guard-hardcore-white-supremacists>

Here is some of the ones that we could see based on previous contacts with our PD or close proximity to Waukesha.

THE PROUD BOYS ARE COMING TO WAUKESHA, WISCONSIN ON DECEMBER 18TH TO DEMAND THAT THE PARADE "ACCIDENT" BE DESCRIBED AS A RACIALLY MOTIVATED DOMESTIC TERROR ATTACK, AND THAT DARRELL BROOKS BE CHARGED WITH HATE CRIMES.

WE ALL SAW THE MOTIVES ON HIS SOCIAL MEDIA. THE LIVES OF HIS VICTIMS MATTER. THEY DESERVE THE TRUTH. 2PM DECEMBER 18TH, WE WILL MARCH THE PARADE ROUTE AT THE SCENE OF THE CRIME.

Hi guys,

Would you be able to pass on any information about the attachment? Last weekend we had someone come thru our downtown placing stickers on all of our street lighting posts causing a public nuisance. I assume you have probably had this too?
